

“I have come to Coady to make a difference; to establish a new view of society based on justice, fraternity and peace by ending the isolation and helplessness of the deprived, marginalized communities by integrating them into society with dignity.”

Fr. Terence Dias

Director

Jhansi Catholic Seva Samaj, Jhansi, Uttar Pradesh, India

I am involved in planning, monitoring, and evaluating the projects implemented in different areas. I write project proposals, direct the administrative work of the society for its smooth running, and organise programmes at central as well as village levels.

The goal of Jhansi Catholic Seva Samaj is to promote and support the sustainable development movements, capacity building programmes and initiatives that are relevant and innovative and to enhance the capacity of its human resources in terms of integrity, attitude and orientation. It endeavors to achieve its goal through dedicated, committed and competent teams in partnership with like-minded organizations and individuals.
