

*I come to Coady to enhance my development skills in different social sectors.*

# MD. Nurul Alam

*Area Manager*

*Christian Commission for Development in Bangladesh (CCDB), Bangladesh*

**Focus of work:** To empower the women that we serve, promote peace in our society and advocate for education for improved livelihoods.

CCDB's goal is to help create a caring and just society where people can live with peace and dignity among all of God's creation. We have been working in Bangladesh for more than 42 years. The core activity is the Comprehensive Poverty Reduction Program, which has helped more than 50,000 Extream Family develop their livelihood and increase their financial status and dignity within society.
