

I came to Coady to strengthen my communication, negotiation, and community mobilization skills, and to discover modern ways for change through experience and knowledge sharing, which will better equip me in responding to challenges.

Mawunyo Amenyawu

Assistant Director

Local Government Service / Ga West Municipal Assembly, Ghana

My work is focused on the coordination of all the activities of service departments in my municipality. I am responsible for health, gender, education, waste management, environmental health, works and physical planning, NGOs and compiling reports from all departments. My work impacts my community through the key decisions I make about policies and programmes and my monitoring of departments that provide these crucial services.

The main goals of my organization are to improve the quality of life for people in the municipality through efficient and effective mobilization of human and material resources. My organization provides infrastructure development in the areas of education, health and social services.
