

I came to Coady to strengthen my leadership capacity and learn contemporary development issues and approaches so that I can perform my responsibilities more effectively, efficiently and professionally.

I facilitate to strengthen the capacity of Caritas and partner NGOs, staff, church and community people so that they manage their institutions/organizations/community effectively and efficiently towards sustainability.

In the light of the social teaching of the church, Caritas Bangladesh envisions a society which embraces the values of freedom and justice, peace and forgiveness, to live a communion and community of mutual love and respect. Caritas Bangladesh tries to become a partner of peoples, especially the poor and marginalized, with equal respect to all – to attain integral development to live a truly human life in dignity and to serve others responsibly.
