

I came to the Coady diploma program to enhance my knowledge on development leadership for my personal growth and the welfare of the society at large.

Anton (Atul) Raymund Macwan

Parish priest and operating partner

Catholic Church, Kaira Social Service Society, India

Catholic Church takes up various activities in the town and villages with regard to women's and children's health, education, shelter, etc. We conduct seminars and camps for awareness about issues that they face and how to overcome or tackle these issues through their full participation and co-operation.

Catholic Church is a registered public charitable trust working for social-religious-educational purpose to empower the marginalized class of the society.
