Omolara Elizabeth Ogunbosi

Administrator

Grace Springs Rehabilitation Home, Nigeria

- Develop an operational plan
- Oversee the planning, implementation, execution and evaluation of programs
- Establish good working relationships and collaborative arrangements with community groups, funders, government and other organizations
- Proactively manage changes in program scope, identify potential crises and devise contingency plans

Grace Springs Rehabilitation Home's mandate is to create a healthy home environment for children and young adults who are sourced from the streets with a view to rehabilitating and reconciling them with their families as well as making them responsible members of the society. We engage families/caregivers and the community on the measures to be adopted in curbing the scourge. We pursue comprehensive reformation programs for the youths.
