

This is the best place for development professionals to sharpen their skills, learn, unlearn and relearn practical approaches for positive change in society. Change begins within!!!

Kiran Padale

Program officer
Sir Dorabji Tata Trust, India

My major responsibilities are development of new projects and grant management including monitoring of the projects.

The trusts are committed to making a difference to the lives of the communities they serve, particularly the disadvantaged and underprivileged, and focus on supporting initiatives that will make a sustainable impact. The Natural Resource Management and Livelihoods portfolio addresses the interlinked issues of sustainable and equitable management of natural resources and the enhancement of the livelihoods of the rural poor.
