

“I came to Coady Institute with several goals: to improve my personal, religious and professional perspectives; to learn leadership behaviours and skills aligned with gospel values; and to improve communication skills.”

Sister Archana Das DM

Executive director

Stella Maris Institute Of Development Studies (SMIDS), Kanniyakumari, South India

The Stella Maris Institute of Development Studies was founded in 1997 with a noble vision of establishing a just, peaceful and loving society. At present it is one of the premier training institutions with a trusted name. It is funded and managed by the Sisters of the Congregation of the Daughters of Mary. We are actively involved in women's empowerment, entrepreneurship, skill training, tribal family welfare, rehabilitating leprosy affected patients and mentally ill women, development of herbal gardens, organic farming, and caring for orphaned children. We also undertake projects that create sustainable sources of income for disadvantaged communities.
