

*“I came to Coady to enhance my leadership qualities, skills, knowledge and capacities as a social worker to carry out my responsibilities working with others.”*

## Sr. Rincy Kozhimala SH

*Director*

*Seva Kendra Arunachal East, Miao, India*

As a director of Seva Kendra Arunachal East, a church-based NGO working in eight districts of East Arunachal Pradesh, I work with poor and vulnerable tribal people. I raise awareness, offering skill development, capacity building and health and livelihood programmes. We focus on the socio-economic and sustainable development of the area while respecting their tribal culture and values.

I am inspired by seeing positive day-to-day changes in the lives of these people. It is my passion to work with them despite the hardship conditions of the area.
