

I am here to deepen my leadership knowledge and to exchange experiences and solutions to overcome challenges from different perspectives worldwide.

Laila Ait Oujamaa

Financial Manager and Coordinator

Seven'arts Association for Socio-Cultural and Artistic Development, Morocco

Making change is a process: I encourage involvement in community work. I provide proper trainings and tools for youth and women to increase social, cultural engagement and create awareness.

Based in Agadir, Morocco, our goals are to contribute to social, artistic and cultural development; encourage artistic, cultural and educational initiatives that contribute to the socio-cultural and artistic achievements; serve culture by providing several activities as a platform of healthy choices among youth and to provide access and raise awareness about art and culture.
