

I am here to enhance my knowledge and experience in leadership, to empower myself and to promote change in my community, and to make my vision a reality: advocating for the promotion of the rights of girls and women to equality and access to education, health and justice.

Justice For All-Prison Fellowship Ethiopia

I am responsible for a USAID assisted project to end child marriage and FGM. I provide trainings on addressing child marriage and FGM for the three branches of the government. I am also responsible for organizing advocacy and awareness raising campaigns to reach thousands of people in the most prevalent areas of Amhara Region. And, I am engaged in compiling success stories and report to donors.

Justice for All-Prison Fellowship Ethiopia (JFA-PFE) is a local non-governmental organization established in 1992. Its vision is to build the capacity and awareness of the legislative, executive and judiciary branches of government in order to promote fair, accessible, efficient, effective and quality justice in Ethiopia. We advocate for enactment of new polices, laws and procedures and we also promote the rights of women and girls.
